CLERK: Senator Whitney voting aye.

PRESIDENT: Have you all voted? Clerk will record.

CLERK: 25 ayes, 5 nays remainder not voting.

PRESIDENT: Bill advances. I have 17 students from the St. Teresa School in Lincoln in the north balcony. Their Senator is Senator Luedtke. Mr. Francis is the teacher. We are very happy to have you here today. Next bill is LB 737.

CLERK: LB 737 (read) There are committee amendments by the Judiciary Committee.

SENATOR LUEDTKE: Mr. President, I move the adoption of the committee amendments to LB 737. LB 737 deals with the garnishment particularly in divorce cases on child support cases. And the amendment say that..sets forth a different manner in which to tie funds for garnishments when there has been a garnishment put on a child support lien, and that is the way it is now. And I'm explaining the bill while I'm explaining the amendment, that is the only way you will understand the amendment. The way the thing works now is, is that the entire bank account, even if there were \$20,000 in the bank account, for a \$500 child support payment the whole \$20,000 would be tied up. This would state that only the amount of the lein judgement would be tied up, mainly the \$500. The amendment merely sets forth that the Attorney, who is bringing this action would have to set forth the amount due on the judgement so that the court would know by the affidavit filed by the attorney, and the second part was that the Court would mail a copy of the summons of the judgement to the judgement desk. That's the one whose pay check is being stopped. And that is not now bbeing done.

PRESIDENT: Senator Carpenter, you've got your light on, do you want to speak? This is a committee amendment. Have a voice vote. Those in favor of the amendment say aye, those opposed no. The motion is adopted. Now what should we do with the bill. Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I move that LB 737 as amended be advanced to E & R Initial. Mr. President and members of the Legislature, this is the bill which I have already explained to you that was, there were several people appeared in favor of the bill and there was actually no one in opposition, except an individual who came and offered a substantial amendment, which we have already adopted, which the committee adopted.

PRESIDENT: Ready to vote. Those in favor of advancing LB 737 vote aye, those opposed vote nay. Senator Whitney voting aye.
